# In-Line Clinics

## Learn to Skate

Get comfortable on your skates! Beginner class starts off with falling, getting up and finding your balance. Participate in drills and games to gain fundamental skills in skating forward, backward, transition, cross-overs and basic stick handling. Advance to next levels of our class offerings and participate in more challenging drills to improve skating techniques. Increased focus on stick handling, passing and shooting through fun games and scrimmages.

## In-Line Hockey

Take the next step from our "Learn to Skate" classes and continue to refine strategy and technique. Scrimmages are further integrated into these clinics with an added focus on understanding the game and position play.

## Smith After School (in line & multi sport)

Great after school activity for your middle schooler. Improve skating and stick-handling skills in our in-line clinic or alternate sports each week in our multi-sport clinic. Receive great instruction and play games with your classmates. Bring a friend!

# Sport Clinics

## Skateboarding Clinic

Interested in learning cool skills and tricks? Beginner through Advanced, gain skills in the basics of pumping, kick-turns, and falling, and advance to grinding, rotating, and much more. Learn safety and acquire confidence with our qualified instructors. \$79/session

## Floor Hockey

The first step in learning to play hockey...in your sneakers! Class focuses on stick handling, passing, shooting and scrimmaging through instruction and games. A great way to introduce kids to Zrink! No skates necessary. \*\$79/session
